Getting advice

MoneyHelper gives you information about the types of support that are available at www.moneyhelper.org.uk/types-of-support-and-guidance.

We strongly recommend that you use **Pension Wise**, or seek independent financial advice before making a decision regarding your retirement options.

Pension Wise is a service from MoneyHelper. It was set up to help people make an informed decision about their pension savings. They can offer guidance, delivered by an independent pension specialist, who will discuss all of the different options that may be available. This can help you understand your options and make a well informed decision, and does not affect your right to take regulated financial advice at your own cost should you chose to do so. We can book a **Pension Wise** appointment on your behalf should you choose to discuss your options with them.

Alternatively, you can book your own appointment with **Pension Wise** by visiting the MoneyHelper website at www.moneyhelper.org.uk/nudge-public, or by calling them on 0800 011 3797.

If you have used **Pension Wise** before, and there has been a significant change to your circumstances since the guidance was given, then it may be in your best interests to seek guidance again.

If you want to get independent financial advice, the website www.unbiased.co.uk will help you find an authorised financial adviser who is local to you.

Please remember, a financial adviser will charge you for providing advice but they will discuss the cost of this before you use their services.

To enable us to understand whether you've had any advice and/or guidance please answer the following questions:

Have you accessed the Pension Wise service?	☐ Yes ☐ No
Have you had advice from an authorised financial adviser?	☐ Yes ☐ No

This question should only be answered if you have selected NO to both of the above advice questions.

I have not sought advice from an authorised Financial Adviser, nor have I used the Pension Wise guidance service. I understand the risks of not receiving advice or guidance but I still want to proceed.	☐ Yes ☐ No
