

FLEXI-ACCESS DRAWDOWN

BENEFIT OPTIONS

When to use this form

Please complete this form to confirm how you would like to take flexi-access drawdown benefits if you have a Retirement Wealth Account, The Personal Pension, The Executive Pension or The Section 32.

You can also use this form to convert capped drawdown to flexi-access drawdown.

- If you are just moving funds from capped to flexi-access drawdown then you don't need to complete section 7.
- If you are over 75 and moving additional uncrystallised funds into flexi-access drawdown you don't need to complete section 7. Instead please contact us for a **Post 75 lifetime allowance declaration**.

We include more information about your benefit options in our **Pension benefits guide**.

If you have a:

- Phoenix Wealth Pension Funds only plan please write to Phoenix Wealth, Unit Linked Life & Pensions, PO Box 1393, Peterborough, PE2 2TP.
- Retirement Wealth Account - Self-invested plan please write to Phoenix Wealth, Self Invested Pensions, PO Box 1394, Peterborough, PE2 2TQ.

For the Retirement Wealth Account and The Personal Pension

If your Plan/Policy was set up before 6 April 2012 you may have funds held in the Wealth Personal Pension Scheme A ("Scheme A"), and former protected rights funds held in the Wealth Personal Pension Scheme B ("Scheme B"). Your contribution/policy schedule will have this information. Unless you transfer your funds in Scheme B to Scheme A, you must set drawdown up separately for each scheme.

Please confirm if this form relates to:

- ☐ Whole policy (please transfer any funds in Scheme B to Scheme A)
- ☐ Scheme A only
- ☐ Scheme B only – former protected rights

If you aren't transferring funds from Scheme B to Scheme A you must complete a separate form if you want to take benefits from each Scheme.

Have you received advice or guidance?

You don't have to receive or take advice or guidance to request benefits using this form. But we do need to confirm whether you have or not. Please can you answer the following questions - **if you don't answer all of the questions we can't process this form**.

2. CONVERT FROM CAPPED TO FLEXI-ACCESS DRAWDOWN

Please complete this section if you have existing capped drawdown

For historical reasons, you may have more than one capped drawdown pension pot in your pension plan. These are known as tranches/arrangements.

Please note

- We require you to convert all your capped drawdown tranches/arrangements as we do not allow both capped and flexi-access drawdown in your Plan/Policy.
- You can't receive a further tax-free lump sum on any capped drawdown tranches/arrangements you convert.
- Your funds will stay invested in the same investments unless you give us different instructions on the relevant Investment instruction form.
- Any adviser payment currently in place on the capped drawdown tranche/arrangement will be automatically stopped when you convert. You will need to complete an **Adviser charges payment request** form to confirm any new adviser charges to be applied to the flexi-access drawdown funds.

2.1 Consolidating tranches/arrangements

Unless you are cashing in your whole pension fund we will consolidate all existing capped drawdown tranches/arrangements into one flexi-access drawdown tranche/arrangement (where possible). This means you will receive one income payment and associated documentation rather than multiple payments and paperwork.

- If you don't want to consolidate tranches/arrangements please tick here. ☐ You must then attach details of how any income requested should be deducted from the different tranches/arrangements.

If you are also adding new funds to flexi-access drawdown you can leave the rest of this section blank and confirm the total income you want in section 3.

2.2 Withdrawal details

3. NEW OR ADDITIONAL FLEXI-ACCESS DRAWDOWN

Any funds you move into drawdown will be invested, and any benefit payments paid, based on the type of Plan you have.

Self-invested option

- We will take any tax-free lump sum and income payments from your cash account.
- You need to arrange for sufficient cash to be available in the account. Disinvestments can be arranged by contacting the Investment Support Desk on 0345 671 5507 or by email quoting your policy number at: ISD@SIPP-phoenixwealth.co.uk (9.00am – 5.00pm, Monday to Friday).
- If there is an insufficient cash balance to pay the tax-free lump sum or income payments we will disinvest according to any existing disinvestment instructions.
- You must let us know how you want to invest the funds you move into drawdown below:

☐

Remain invested as I am.

☐

Change my investment choice. Please also complete the **Investment Instructions – for self invested plans** form.

For all other policies

- We will take funds proportionally from your existing investments to pay any tax-free lump sum.
- We will pay income payments by disinvesting from funds based on your instructions in section 4.
- You must let us know how you want to invest the funds you move into your drawdown tranche/arrangement below:

☐

Remain invested in my current fund/s.

☐

Change my investment choice. Please also complete the **Investment Instructions – for Phoenix Wealth Pension Funds Only** form.

Please remember

If you haven't received advice about how you can invest your drawdown fund after taking your tax free amount we have included information about your options in our **Understanding Investment Pathways** leaflet.

You can find this in our literature library at www.phoenixwealth.co.uk/Literature/Pensions-and-retirement

Please confirm which of the following you want to do:

☐

Cash-in my whole pension fund (including any funds already in Flexi-access drawdown)

You will normally receive up to 25% of the value of your non-drawdown pension fund tax-free. The remaining fund will be taxed through PAYE.

†Moving your pension fund into drawdown will incur the drawdown charge, even if you decide to immediately take your whole fund as a one off payment. Please be sure that an uncrystallised funds pension lump sum (UFPLS) or a small pots payment isn't a more suitable option for taking your whole pension fund as a one off payment.

☐

Use all or part of my non-drawdown pension fund

You can receive up to 25% of the amount of your non-drawdown pension fund you want to use tax-free. The remaining funds will stay invested in your Plan/Policy as part of your drawdown fund and be used to provide the income you specify below.

If you are already in flexi-access drawdown we will add the new funds to the existing flexi-access tranche/arrangement (where possible). If you have more than one tranche/arrangement we will consolidate them (where possible).

If you don't want to consolidate existing tranches/arrangements tick here. ☐ We will then normally add the new drawdown funds to the latest existing tranche/arrangement and you must also attach details of how any income requested should be deducted from the different tranches/arrangements.

7. LIFETIME ALLOWANCE DECLARATION

You must only complete this section if you are under 75. If you are over 75 please contact us for a separate Post 75 lifetime allowance declaration. You don't need to complete this section if you are moving funds from capped to flexi-access drawdown but aren't moving additional funds into drawdown.

It is a serious offence to make false statements. The penalties are severe and could lead to prosecution. For more information about the lifetime allowance please read our Tax and your pension leaflet.

Each time you put your benefits held in a registered pension scheme into payment (known as crystallising) they are measured against your remaining lifetime allowance.

We are required to look at the value of all of the benefits you have crystallised so far, in any registered pension scheme, as well as the value of the benefits you are crystallising. If the total value of all your pension funds when you take your benefits is above the Lifetime Allowance, the excess may be subject to income tax. For further information, please visit **www.moneyhelper.org.uk..**

Please let us know if you are putting benefits from other registered pension schemes into payment at the same time you are crystallising benefits with us.

1) Do you have any form of lifetime allowance protection? ☐ Yes ☐ No

If Yes, please provide us with a **copy of the appropriate certificate(s)**, or the protection reference number(s)

2) I have used up % of my standard lifetime allowance before crystallising the benefits requested in this form

(If you need help with this question please read the notes section).

3) If on crystallising the benefits requested in this application form the value of my pension fund exceeds my remaining personal lifetime allowance entitlement, I request that only any amount within my entitlement is crystallised as instructed and any excess fund should be treated as follows:

i) Paid to me as a lump sum subject to PAYE tax at my marginal rate. ☐

and/or

ii) Added to my fund to provide a pension income. (Any income taken will be subject to PAYE tax at your marginal rate.) ☐

If you require part of the funds as a lump sum and part to provide income we will contact you to establish the amounts.

Notes for question 2

The figure you need to include in question 2 must be based on the following:

- **If you have crystallised benefits after 5 April 2006**, the administrator of that pension arrangement will have told you what percentage of the standard lifetime allowance you have used. You should have a certificate showing what percentage of the standard lifetime allowance has been used up from each pension arrangement including any arrangements that were in payment from before 6 April 2006.
- **If you have crystallised benefits before 5 April 2006 but this is the first time you have crystallised benefits after 5 April 2006** we will need to know more about these benefits. Please contact us if this applies to you and we will provide you with more details.

If you need help please contact your financial adviser. Alternatively, you can contact us on 0345 129 9993.

- 6) where I have elected to convert an existing capped drawdown fund to flexi-access drawdown, no further tax-free lump sum may be paid from the new flexi-access drawdown fund.
- 7) a false statement, whether fraudulent or negligent, which results in relief from any income tax being obtained, will result in HMRC imposing a fine on me.
- 8) the information provided in section 7 will be used as the basis for determining any lifetime allowance tax liability.

- 18) If I have not received financial advice in completing this form, I understand that this means that I will be responsible for ensuring that the choices I have made to access my benefits in this form are suitable for me. In these circumstances, I acknowledge that I should be confident and understand the risk of taking benefits as chosen in this form. I also acknowledge that if at any time I am unsure as to the suitability of my choices to access my benefits, I should seek professional financial advice.

9. TRUSTEE(S) DECLARATION – FOR THE EXECUTIVE PENSION ONLY

Nudging members aged over 50 to take pension guidance

As mentioned above, when flexible pension options became available in 2015 government set up the **Pension Wise** service to provide individuals with defined contribution pension funds guidance on the retirement options open to them.

Pension Wise has received very good feedback from users and government are keen that more pension scheme members make use of the service. As a result, they have placed duties on scheme trustees to encourage, or nudge, members to make use of it.

When you receive an application from the member to take benefits or contact from a member to discuss their pension benefits options, you are required to:

- bring **Pension Wise** to the member's attention, and explain the nature and purpose of the guidance it can provide;
- offer to book a **Pension Wise** appointment for the member, and where they accept your offer, book their appointment for a time suitable to them;
- if the member doesn't accept your offer to book them an appointment, or if there are no suitable appointments available, provide them with full contact details for the service so they know how to make their own booking;
- explain to the member that you will not be able to proceed with their pension benefit application unless they have either:
 - (a) received guidance and confirmed to you they have done so, or
 - (b) opted-out from receiving guidance, and confirmed that decision to you.

Please note that the member can't confirm their opt-out to you as part of your interaction with them when you bring **Pension Wise** to their attention, unless either:

- their claim is for a serious ill health benefit, or
- they've received Pension Wise guidance, or regulated financial advice, in connection with their application for benefits from your scheme within the preceding 12 months.

The requirement for member's to give their opt-out as part of a second interaction or communication with you is to ensure they have time to properly consider their opt-out decision.

Keep a record of the member having taken guidance (or regulated advice) or having opted-out from taking guidance. If you accept an instant opt-out decision from the member, under either of the circumstances described above, you must also record that fact and which of the two circumstances applied.

If you book a **Pension Wise** appointment for a member you should not proceed with their pension benefit application until after the date of their appointment, unless the member has subsequently decided to opt out.

We will seek confirmation from you that you have complied with these ‘nudge’ requirements before we process the member’s benefit claim.

So that you can fully understand, and comply with, all of the trustee duties covered above, we recommend that you monitor the Pensions Regulator’s website, at www.thepensionsregulator.gov.uk. The information we have provided should help you to comply, but you should satisfy yourself that you have done so.

As the plan is issued to the trustees of your pension scheme, they must sign this declaration.

I/We have explained the **Pension Wise** service to the member and offered to book an appointment for them. I/We can advise that the member **(please tick the applicable box)**:

- ☐ Has confirmed to us that they have taken **Pension Wise** guidance.
- ☐ Has notified us of their decision to opt-out from taking guidance from **Pension Wise**.
- ☐ Gave us an instant opt out notification because they have taken **Pension Wise** guidance, or obtained regulated financial advice, in respect of their application for scheme benefits within the past 12 months.
- I/We agree that the benefits requested in section 3 and the disinvestment instructions in section 4 of this form can be applied.
