

TRANSFER REQUEST – TRANSFERRING TO A QROPS

Phoenix Wealth, Unit Linked Life & Pensions, PO Box 1393, Peterborough, PE2 2TP

When to use this form

You can use this form for transfers from the Retirement Wealth Account - Funds Only option or The Personal Pension, to a qualifying recognised overseas pension scheme (QROPS).

You **can't** use it to transfer The Executive Pension, The Section 32 or the Retirement Wealth Account - Self-invested option to a QROPS, or any transfers to another UK registered pension scheme.

Please note, if you're resident in the UK, a country within the European Economic Area (EEA), or Gibraltar, and the QROPS you're transferring to is established within the EEA or Gibraltar, the exemption to the Overseas Transfer Charge has been removed by the Government.

How to continue with the transfer

You must arrange for the following forms to be completed and provide the additional evidence we ask for:

- **Member transfer request** – You must complete sections 1a, 1b and 2.
If the form isn't completed in full, including being signed and dated, we'll return it to you.
You must return the completed form to us within **60 days** of your request to transfer overseas. If we do not receive this form back within this period, we will not be able to proceed with the transfer.
- **Pension scams questionnaire** – You must complete this form.
- **Lifetime allowance declaration** – You must complete this form.
- **Receiving scheme declaration** – The new pension provider must complete this form. Please arrange for this declaration to be forwarded to the new pension provider to complete and return.
- **Residency/employment link evidence** – You must give us evidence to confirm a link to the receiving scheme. Please see the 'Qualified Recognised Overseas Pension Scheme (QROPS) - Evidence Request' notes at the end of this form.

Please note, you don't need to complete HM Revenue & Customs (HMRC) form APSS263 in addition to completing these forms. The information we ask for is the same so it lets us complete our HMRC reporting requirements.

Please return these forms, together, to Phoenix Wealth, Unit Linked Life & Pensions, PO Box 1393, Peterborough, PE2 2TP

If you have any questions, please contact us on:

- 0345 129 9993 (Lines are open from 8.30am to 5.30pm Monday to Friday.
As part of our commitment to quality service and security, telephone calls may be recorded).
- Email: servicing@phoenixwealth.co.uk

Regular contributions

If you, your employer, or a third party is making regular contributions into the policy, please arrange for any direct debit to be cancelled with the bank. If the direct debit is not cancelled prior to the transfer, or if we are in the process of collecting a contribution, there could be a delay in making the transfer payment as we may have to wait for the payment to clear.

Drawdown income payments

Please be aware that if an income payment is due around the time we receive your completed documents we may have to wait for this to go through before we can process your transfer.

Important information

An early surrender charge will apply where a transfer request has been received prior to the end of the funded initial commission recovery period.

The actual amount transferred will be recalculated at the date of receipt of our last requirement to transfer the fund.

Pension scams

The enclosed pension scams leaflet is provided as a guide only and may prove useful to you in explaining this issue in more detail.

We strongly recommend that you are cautious if you have received a website promotion, cold-call, text message or advert encouraging you to transfer your benefits or cash-in your pension. Any plans that claim to provide you with a loan or cash sum greater than the scheme could provide, should be avoided. Unfortunately, in the majority of cases, these promises are bogus and such plans may result in you losing some or all of your pension benefits.

The leaflet makes reference to the UK minimum retirement age and UK helpline telephone numbers and these should be ignored if you do not hold or do not intend to transfer your pension to a UK pension arrangement.

We have enclosed a 'Pension Scams' questionnaire as part of your transfer documentation, this document must be completed and returned to us along with your other transfer request documents before your requested transfer can be processed. Completion of the questionnaire will help us to identify any new or existing concerns relating to pension scams and will enable us to provide an increasing level of protection for planholders and their pension savings held with us.

Due to a general increase in the threat of pension scams, the pensions industry has produced a code of good practice for conducting more effective due diligence on pension transfer requests. Phoenix Wealth subscribes to this code.

We are legally required to check if signs of a pension scam exist in connection with a proposed transfer, and we must satisfy ourselves that one of two conditions is met before transfer can proceed. The two conditions are:

- (1) the receiving pension scheme is either:
 - (a) a Master Trust scheme authorised by the Pensions Regulator, or
 - (b) a Collective Money Purchase scheme authorised by the Pensions Regulator, or
 - (c) a Public Service Pension scheme.
- (2) when we check for signs of a pension scam, either:
 - (a) we do not identify the presence of any warning flags, or
 - (b) although warning flags are found, you have taken pension transfer scams guidance from MoneyHelper, a free and impartial service.

These checks will be conducted once your signed transfer request and completed Pension Scams questionnaire have been received by us and may include:

- Contacting you to ask for additional information relating to your transfer request.
- Asking the receiving scheme for additional information relating to their scheme.
- Contacting HMRC to request they provide confirmation of the registered status of the receiving scheme.
- Requiring you to take pension transfer scams guidance from MoneyHelper.

Please note that if we find the presence of the most severe pension scam warning flags, known as red flags, you will lose the right to transfer to your selected receiving scheme.

Once we have completed our due diligence checks we will let you know whether or not we are in a position to complete your transfer. We may also request you complete a further declaration once our checks have been completed.

Where we contact HMRC to obtain confirmation of the registered status of the receiving scheme, we can't provide a timescale for them to provide us with a response to our request and our due diligence checks are unlikely to be complete until that confirmation is received.

PENSION SCAMS QUESTIONNAIRE

**IMPORTANT – YOU MUST COMPLETE THIS FORM AND RETURN IT TO US
BEFORE THE TRANSFER CAN GO AHEAD – This is for your protection**

Member name	
Policy number	

As a pension provider, Phoenix Wealth has a duty to protect your pension by looking for signs that your pension is being transferred as part of a pension scam. This could be where:

- a pension is being transferred to an arrangement which allows benefits to be accessed before the minimum age specified by HMRC, which is 55 (rising to 57 from 6 April 2028);
- a new pension provider promises to pay out tax-free cash which is higher than the HMRC limits;
- a pension loan or cash incentive is offered and the information provided to you is misleading;
- you are not sufficiently warned about large tax charges that you will be personally responsible for; and where
- set-up and ongoing charges are not clearly explained.

The fraud risk when transferring your pension plan is high therefore please ensure you read the transfer pack we have provided carefully as it provides further information in relation to pension scams.

As part of our standard process and to help us monitor the security of your pension we need you to answer the following questions – please provide as much information as you can as it will help us with our investigations (*please indicate as applicable):-

Did the new pension provider or any connected party contact you first? (Cold calling by telephone, post, email, text or door to door)	*Yes / No (if Yes please provide details here)
Will you be receiving any cash payment, bonus or loan from the new pension provider as a result of transferring your benefits?	*Yes / No (if Yes please provide details here)
How did you hear about the new pension provider?	Please provide details here
Have you been told that you can access any part of your pension under the new pension provider BEFORE age 55, other than on grounds of ill health?	*Yes / No / Not applicable - (if Yes please provide details here)
Have you been promised a specific or guaranteed rate of return on your pension under the new pension provider?	*Yes / No (if Yes please provide details here)
Have you been informed of an investment opportunity in another country outside of the United Kingdom?	*Yes / No (if Yes please provide details here)

Please provide details of any other information you believe is relevant to the above questions:

LIFETIME ALLOWANCE DECLARATION

You do not need to complete this section if you are over age 75.

It is a serious offence to make false statements. The penalties are severe and could lead to prosecution.

1. Do you want to rely on any form of protection in connection with transferring the benefits requested in this application form?

Yes [] No []

If Yes, please provide us with a copy of the appropriate certificate(s), or the protection reference number(s) []

2. I have used up _____% of the standard lifetime allowance prior to crystallising the benefits requested in this application form.

You should read and complete the declaration below.

Declaration

I declare that the Statements above are, to the best of my knowledge and belief, correct and complete.

I understand that a false statement, whether fraudulent or negligent, that results in relief from any charge related to the lifetime allowance being obtained, will result in a fine being imposed on me.

I understand that this declaration will be used as the basis for determining any lifetime allowance tax liability.

I confirm that I will advise Phoenix Wealth immediately if there is any change in my circumstances, prior to the date that I crystallise benefits from this Scheme, which will change the information I have provided in any of the above Statements.

I understand that any funds in excess of the Lifetime Allowance on transfer will be liable to a 25% tax charge and payable as income (the tax charge will not be payable if I hold Enhanced Protection).

Name	Policy number	[] [] [] [] [] [] [] [] [] [] [] [] [] []

Please note:

Various amendments to pension regimes since 2006 have introduced different levels of protection for eligible pension scheme members.

The figure you need to include in question 2 must be based on the following:

- If you have crystallised benefits after 5 April 2006, the administrator of that pension arrangement will have told you what percentage of the standard lifetime allowance you have used. You should have a certificate showing what percentage of the standard lifetime allowance has been used up from each pension arrangement including any arrangements that were in payment from before 6 April 2006.
- If you have crystallised benefits before 5 April 2006 but this is the first time you have crystallised benefits after 5 April 2006 we will need to know more about these benefits. Please contact us if this applies to you and we will provide you with more details

If you need help please contact your financial adviser. Alternatively, you can contact us on 0345 129 9993.

Qualified Recognised Overseas Pension Scheme (QROPS) – Evidence Request

For transfers to a Qualifying Recognised Overseas Pension Scheme (QROPS) additional evidence is required before we can proceed with the transfer and what we are able to accept depends on whether the receiving scheme is an occupational pension scheme.

Where the transfer is to a QROPS that is an occupational pension scheme, we can accept evidence of either a residency link or an employment link. You can choose which of these links to evidence.

However, where the transfer is to a QROPS that is not an occupational pension scheme, we can only accept evidence of a residency link.

The requirements for each are shown below.

Residency Link

To meet the residency link test, you should be resident in the country in which the receiving QROPS is established.

To provide evidence of a residency link between you and the receiving scheme we require the following:

- (1) A copy of your formal residency documentation in the country or territory concerned, **and**
- (2) At least two other items of evidence confirming that you are resident in the country or territory in which the QROPS is established.

Acceptable items of evidence include a copy of the following, which must show the overseas address:

- Utility bill
- Television subscription
- Insurance documents
- Driving licence
- Bank account or credit card statement
- Local tax document
- Local doctor's registration

Employment Link

To meet the employment link test, you must be employed by the employer who sponsors the receiving QROPS.

To provide evidence of an employment link between you and the receiving scheme we require the following:

- (1) A letter from your employer confirming that:
 - (a) The employer is the sponsoring employer of the receiving scheme,
 - (b) You are employed by them,
 - (c) The date from which you have been in continuous employment with them,
 - (d) Contributions to the receiving scheme shown as due in the payments schedule (see (2) below) have been paid, and the dates of those payments. Where contributions differ from the schedule, the actual amounts paid and the dates they were paid.
- (2) A schedule of contributions / payments schedule showing:
 - (a) Separate entries for the amounts due to be paid by, or for, you by the employer (or by the employer and you if relevant) during the 3 month's employment ending with the date of the transfer request (excluding AVCs, if any), and
 - (b) The dates on which those contributions were due to be paid.
- (3) Payslips or other pay remittance evidence showing the salary paid to you by the employer during the 3 month's employment ending with the date of the transfer request.
- (4) Copies of personal bank / building society statements, or building society passbook, showing the salary deposits during the 3 month's employment ending with the date of the transfer request.

Please note: All items of evidence must be supplied by you direct to us to be valid – they must not be given to us via another party, such as an adviser.

English language and Certification

Where an item of evidence is not in English, a certified translation of the original document by a professional translator will be required.

Don't let a scammer enjoy your retirement

Find out how pension scams work, how to avoid them and what to do if you suspect a scam.

Scammers can be articulate and financially knowledgeable, with credible websites, testimonials and materials that are hard to distinguish from the real thing. Scammers design attractive offers to persuade you to transfer your pension pot to them or to release funds from it. It is then invested in unusual and high-risk investments like overseas property, renewable energy bonds, forestry, storage units, or simply stolen outright.

Scam tactics include:

- contact out of the blue

- promises of high / guaranteed returns

- free pension reviews

- access to your pension before age 55

- pressure to act quickly

If you suspect a scam, report it

- **Report to the Financial Conduct Authority (FCA)**
by contacting their Consumer Helpline on 0800 111 6768 or using the reporting form at www.fca.org.uk
- **Report to Action Fraud**
on 0300 123 2040 or at www.actionfraud.police.uk
- **If you're in the middle of a transfer,**
contact your provider immediately and then get in touch with www.moneyhelper.org.uk

Four simple steps to protect yourself from pension scams

1

Reject unexpected offers

If you're contacted out of the blue about your pension, chances are it's high risk or a scam. Be wary of free pension review offers. A free offer out of the blue from a company you have not dealt with before is probably a scam. Fortunately, research shows that 95% of unexpected pension offers are rejected.*

2

Check who you're dealing with

Check the Financial Services Register (<https://www.register.fca.org.uk/s/>) to make sure that anyone offering you advice or other financial services is FCA-authorised.

If you don't use an FCA-authorised firm, you also won't have access to the Financial Ombudsman Service or the Financial Services Compensation Scheme. So you're unlikely to get your money back if things go wrong. If the firm is on the FCA Register, you should call the Consumer Helpline on 0800 111 6768 to check the firm is permitted to give pension advice.

Beware of fraudsters pretending to be from a firm authorised by the FCA, as it could be what we call a 'clone firm'. Use the contact details provided on the FCA Register, not the details they give you.

3

Don't be rushed or pressured

Take your time to make all the checks you need – even if this means turning down an 'amazing deal'. Be wary of promised returns that sound too good to be true and don't be rushed or pressured into making a decision.

4

Get impartial information and advice

MoneyHelper (www.moneyhelper.org.uk) – Provides free independent and impartial information and guidance.

Pension Wise, is a service from MoneyHelper, backed by government (www.moneyhelper.org.uk/en/pensions-and-retirement/pension-wise) – If you're over 50 and have a defined contribution (DC) pension, Pension Wise offers pre-booked appointments to talk through your retirement options.

Financial advisers – It's important you make the best decision for your own personal circumstances, so you should seriously consider using the services of a financial adviser. If you do opt for an adviser, be sure to use one that is regulated by the FCA and never take investment advice from the company that contacted you or an adviser they suggest, as this may be part of the scam.

Be ScamSmart with your pension. Check who you are dealing with.
