## Note for advisers

Phoenix Wealth doesn't knowingly make unauthorised payments. For an adviser charge to be authorised by HM Revenue & Customs (HMRC) it must:

- Be made as a result of genuinely commercial remuneration arrangements between the member(s) and their adviser for the pension advice given by the adviser to the member(s), and the agreed amount of remuneration is appropriate in relation to the service the adviser has provided in respect of the advice given.
- Any adviser fee must solely relate to advice given in respect of this pension scheme.

By accepting the adviser charges you are confirming that both of these statements apply in relation to them.

## 4. ADVISER CHARGES PAYMENT REQUEST

Please complete this section as you have agreed with your financial adviser. For details of how adviser charges can be facilitated through your plan, please refer to the 'Adviser payments' section of your **Terms & Conditions**.

If you no longer wish to pay for adviser charges through your plan, you can cancel this instruction by writing to us at any time.

## 4.1 Initial adviser charge

Please complete this section if you have agreed to pay an initial charge for advice you received in relation to this contribution. It can be either a fixed amount or a percentage:

Percentage of all annualised regular contributions							
We will defer the initial adviser charge payment until sufficient contributions have been received to cover the charge in full unless you spread the charge (see the box below).	%						
You can spread the initial adviser charge taken from regular contributions; this is known as Spread Initial Adviser Charge (SIAC). SIAC will be deducted monthly, regardless of the frequency of your contribution. You can only have one SIAC on an Employee regular contribution and one on your Employer regular contribution at any one time. Payment of the SIAC must stop at least one month before your selected retirement age.							
Do you wish to spread the charge taken from regular contributions?  Yes  No							
Which day of the month you wish the charge to be deducted from your plan (between 1st and 28th)							
For new regular contributions, the first deduction will take place on the day selected that immediately follows actual receipt of the first premium. This may be more than one month after the start date of the regular contribution where the direct debit cannot be set up in time for the first payment to be collected on the requested contribution due day.							
If you increase your regular contribution and want to increase the amount of an existing SIAC, we will cancel the existing charge and replace it with the new charge you have entered. You must include any outstanding SIAC payments in the amount above as we will not automatically carry over any existing charge.
